

## TELLS DEVELOPMENT OF FOREIGN TRADE

President of U. S. Steel  
Corporation Testifies in  
Government Suit

## NOT FOR SUPPRESSION

Combination Was Not Organized  
to Suppress Competitors But  
to Develop Foreign Field

## TRACES GROWTH OF BUSINESS

NEW YORK, MAY 12.—The United States steel corporation was pictured today by James A. Farrell, its president, as a combination organized not to suppress competitors, but to develop the sale of steel in foreign lands, a development which could not have been accomplished, he said, if the corporation had not taken the various companies competing for foreign business under its wing. He was testifying as the first witness for the defense in the government suit to dissolve the corporation as a combination in restraint of trade.

Mr. Farrell amazed his hearers by his intimate knowledge of affairs in remote parts of the world and held them keenly interested as he narrated the story of his rise from a common laborer in a steel mill at the age of fifteen to be the head of the great industrial corporation in the world at the age of fifty.

**Growth of Export Business.**  
The witness traced the growth of the steel corporations export business from 292,000 tons the first year it was organized to 2,246,000 tons in 1912 and from \$31,000,000 in 1904 to \$92,000,000 in 1912, and said that the efforts of the corporation to push its foreign trade had been continuous and indefatigable.

The result had been that 90 percent of the country's foreign trade in steel was done by the corporation, he said.

**Had No "Understandings"**  
Contradicting the testimony of William E. Corey, his predecessor as president of the corporation, that there had been "understandings" between the corporation and foreign manufacturers as to prices and a division of territory, Mr. Farrell said:

"We have never operated under any pools or agreements with foreign manufacturers either as to price or location. We have never entered into any contracts or agreement with foreign manufacturers to stay out of their market provided they would stay out of ours."

**Seven Companies Combine.**  
He denied also that the corporation made a practice of selling its products lower abroad than in this country.

"In fact some of our commodities are sold higher," he said. Before the corporation was organized, the witness said, seven steel companies were competing for foreign business. On being taken over, their foreign offices were combined under one office and their operations systematized. In 1904 the United States steel products company was organized to take charge of the foreign trade and push it. Exhaustive studies were made of foreign markets in order that business could be done according to the usages and requirements of each particular market and at an enormous expense. The processes of manufacture at the mills of the corporation were adapted to meet these requirements.

**Establish Many Agencies.**  
The corporation established agencies from "Iceland to the Fiji Islands," 268 in all, Mr. Farrell said, and as a result the export business of the subsidiaries had greatly increased in the case of the Carnegie Steel company to 24 percent of its whole production. A diversity of product enabled the corporation to meet all demands from bed springs to steel bridges. No single subsidiary with one or two products, he said, could have maintained these agencies of such extensive scale. Mr. Farrell told of selling wire in Patagonia, rails in Formosa, steel bridges in Iceland, and wire fencing in South Africa. Steamships had been bought or chartered to carry steel to points seldom touched on regular steamship routes, he added.

This foreign trade, he further explained, had been developed in the face of financial antagonism in Europe, preferential tariffs and local opposition. The city authorities in Manchester, England, had cancelled a contract with the corporation for tramway rails in favor of local manufacturers he said, although the bid of the steel corporation was the lowest.

Forty thousand men are now employed by the corporation in manufacturing steel for export and 15,000 more in making the steel sold to manufacturers of goods sent abroad.

## UNDERWOOD TAKES UP REQUESTS FOR PLACES

HAS TASK OF FRAMING A PRELIMINARY STATE OF THE COMMITTEES

No Meeting Will Be Called To Consider Committee Appointments Until Underwood Has Arranged His Preliminary State of Committees.

WASHINGTON, MAY 12.—Requests of the 291 Democratic members of the house for committee places were taken up today by Majority Leader Underwood, to whom the majority of the ways and means committee, the committee on committees, the committee on framing a preliminary state of the committees. Each Democrat has sent a letter stating his preference and Mr. Underwood will classify those to lay before the committee.

Mr. Underwood said today that no meeting would be called to consider the committee appointments until he had considered the entire matter and arranged his preliminary state. The one committee given immediate consideration is the banking and currency committee. Following Mr. Underwood's talk on Saturday with President Wilson, when the make-up of this committee was discussed, a practically complete slate of the committee was prepared. It will not be announced, however, until all of the other committees have been arranged as other assignments may force changes in the personnel now contemplated.

There will be 58 standing committees of the house in this congress, more than heretofore. The additions are the good roads committee for the creation of which Representative Henry of Texas is mainly responsible and the public health and quarantine committee largely due to efforts of Representative Foster of Illinois. Under the new policy, under which members of the more powerful committees cannot be members of any other, several ambitious Democrats may yield minor chairmanships to remain on committees of higher rank. Such a step would involve a considerable sacrifice, however, as committee chairmanships carry large offices and other prerogative dear to the heart of a congressman.

## STRATTON FOR ROBBERY AND MURDER IN ROCK ISLAND COUNTY

Alleged Confession of Another Bank Robber Implicates Pekin Prisoner.

Davenport, Iowa, May 12.—Clyde Stratton, under arrest at Pekin, Ill., who recently escaped from the Leavenworth federal penitentiary by crawling through a sewer has been indicted for burglary, robbery and murder in Rock Island county, Illinois.

The indictment was made public today. It is claimed that Thomas Jefferson, held for the robbery of the Bank of Silvis, December 17, 1912, has confessed that Stratton assisted him to rob the bank by beating up the owner, J. Lee Crowder, who later died of his injuries. Pekin authorities promised to turn Stratton over to Rock Island county.

## ANHUT FACES BRIBERY CHARGE

New York, May 12.—John Nicholson Anhut, the lawyer indicted for bribery in an alleged attempt to secure the release of Harry K. Thaw from the Matteawan asylum, was arraigned for trial today before Justice Seabury in the criminal branch of the supreme court. The indictment and trial of Anhut come as a sequel of the investigation instituted by Governor Sulzer into the activities of several persons connected with an alleged conspiracy in behalf of Thaw. The charge against the lawyer is largely based, it is understood, upon testimony given by Dr. John W. Russell, formerly superintendent of the Matteawan institution, who said that Anhut had offered him a bribe of \$25,000 to say that Thaw was sane. Dr. Russell is expected to be the chief witness at the trial. Harry K. Thaw has also been summoned to appear in court tomorrow to tell what he knows of the case.

## MONDAY IN CONGRESS.

**Senate.**  
Not in session.  
Meets 2 p. m. Tuesday.  
Territories committee resumed its hearing on Alaskan problems question of coal development being taken up.

**House.**  
Met at noon.  
Adjourned at 12:04 p. m. until noon Thursday, without transacting any business.

For sale, the latter amounting to \$30,000,000.

"We do correspondence from our office in every language," the witness said, "in English, French, German, Russian, Chinese, Japanese and Hindustani. We have to get the business. Our office is an encyclopedia for American manufacturers on trade conditions in foreign countries and we often lend them our salesmen to do their business for them."

Mr. Farrell will continue his testimony tomorrow.

## WOULD REUNITE PARTY

Republican Leaders Seek  
Coalition With the Pro-  
gressive Party

National Convention at an Early  
Date Is Advocated to Make  
Change in Party Affairs

CHICAGO, MAY 12.—That the uniting of the Progressive party with the Republican party is not only desired but is actually being sought was the gist of sentiment expressed at the close here today of a two days conference at which Republican leaders outlined plans for re-organizing the party.

Herbert S. Hadley, formerly governor of Missouri who with Senators Albert Cummins of Iowa; William E. Borah of Ohio and L. Y. Sherman of Illinois, led in the discussion at the conference said afterward that the desire to have those back in the party who left it to join the Progressive party was "manifest."

**Must Remedy Causes.**  
The coalition, he added, was not to be affected by any mechanical scheme, such as the passing of resolutions by any of the leaders, "but rather by a remedying of the causes in the Republican party which are said to have caused the separation."

The caucus attended by six United States senators, numerous members of the house of representatives and leaders from states as distant as Massachusetts and California issued a statement. The statement expressed the belief that the Republican National committee should call a Republican national convention at an early date as possible for the purpose of perfecting radical changes in party affairs and especially in reference to the conduct of future national conventions.

**For Coalition of Parties.**  
What was considered a significant part of the statement was that which referred to "re-uniting" the party. "It is to be inferred that the Republicans who met here desire to have adherents of the Progressive party come into the ranks of the Republicans," Mr. Hadley declared. "Manifestly so," he replied. "The coalition is to be brought about not by any mechanical means but by a frank recognition by the rank and file of both parties that by remaining divided they are defeating all they both favor. All we could accomplish or try to accomplish here was to start the movement for bringing about changes in conducting affairs the party which seem necessary."

These changes are to correct the evils which have been a just cause of complaint in the past, and are necessary in order that the will of the majority may control in future party councils.

"The changes we shall seek are for a new basis of representation a recognition of the result of direct primaries, so that we shall favor that system, and a different method of passing upon the credentials of delegates to conventions."

## GALESBURG MAN SHOTS AND SERIOUSLY WOUNDS NEGRO

Finds Intruder in Sister's Bed Chamber and Employs Gun at Burglar, One Shot Taking Effect.

Galesburg, Ill., May 12.—Aroused from sleep by the screams of his sister, Albert Duke, 527 West Second street, grabbed his revolver and hurried to her bed chamber this morning to find her being choked by a negro. She had been thrown to the floor.

Duke emptied the chambers of his gun at the fellow, one shot taking effect in his groin. The negro who was found to be Andrew Brunner, former hotel porter, was taken to the city hospital.

Duke was arrested but later was released.

## SETS NEW INTERSCHOLASTIC BROAD JUMP RECORD

Stiles' Long Leap Has Been Officially  
Announced to Have Been 23 Feet  
Seven and One Half Inches.

Chicago, May 12.—P. Stiles of the Culver Military academy set a new world's interscholastic broad jump record in Lake Forest meet last Saturday his leap was measured with a surveyors steel tape and was announced just after the meet as 23 feet, six inches. This, it was officially announced and verified to day, should have read six tenths, about 23 feet seven and one half inches.

The former record 23 feet 3 inches was made by E. T. Cook of Chillicothe, Ohio May 25, 1906. Stiles also broke the Lake Forest interscholastic meet record by making the 100 yard dash in ten seconds.

## AWAIT MESSAGE FROM JOHNSON

NO REPLY HAS BEEN RECEIVED  
TO BRYAN'S TELEGRAM

Gov. Johnson Sees No Reason for  
Hurry in Answering the Request  
That He Veto the Alien Land Own-  
ing Bill Recently Passed by the  
Legislature.

WASHINGTON, MAY 12.—The administration tonight was awaiting a reply either by message or by telegram or by action from Governor Johnson to Secretary Bryan's telegram of last night requesting that he veto the alien land owning bill passed by the California legislature, and give the state department an opportunity to deal diplomatically with the problems involved.

In some quarters it had been expected that the text of the Japanese protest would be given publicity to day but apparently the officials concluded that full publicity at this stage would only embarrass the negotiations. Therefore the state department declined to make any statement as to the precise nature of the Japanese communication and the secretary to answer to inquiry on that point simply pointed to his own message of last night in which he referred to the Japanese communication as "a very earnest protest."

**Will Not Discuss Protest.**  
Whether the protest went outside of the treaty and claimed a violation of the principles of international law in discrimination against the Japanese or was an allegation that the spirit if not the letter of the treaty had been infringed by the California legislation, the secretary would not say. In fact, he had not deemed it expedient to acquaint even Governor Johnson with the details of the communication.

Secretary Bryan let it be known that if legislation in California is postponed the state department will undertake to deal diplomatically with the Japanese government regarding the whole subject of alien land ownership as affecting Japanese in America. Meanwhile he declines indicate the course that will be followed by the department in the event that his appeal is disregarded by the California executive.

**Sees No Reason For Haste.**  
Sacramento, Cal., May 12.—Governor Johnson has not yet replied to the message of President Woodrow Wilson and Secretary of State Bryan, asking that he veto the anti-alien bill. The governor has until June 16th to sign the measure, and therefore there is no immediate haste in answering the president's request to acknowledge the receipt of his telegram. It was understood at the capital to day that the chief executive was so busy with details incidental to the adjournment of the legislature that he had decided to postpone taking up the new angle of the anti-alien issue.

## CIRCUIT COURT SUSTAINS DEMURRER FILED BY HEARST

Court Holds That Declaration of  
Roger C. Sullivan Is Not Sufficient  
on Which to Base Libel Suit.

Peoria, Ill., May 12.—Holding that the amend declaration of Roger C. Sullivan is not sufficient on which to base a suit for libel, Judge Levy D. Porterbaugh in the circuit court here to day, sustained the demurrer filed by attorneys representing William R. Hearst in the case brought by Sullivan for damages in the sum of \$25,000. After sustaining the demurrer to the amended declaration attorneys representing Sullivan declared their intentions of carrying the case to the higher court notwithstanding the decision of the lower courts.

Sullivan claims to have been libeled in an article published in the Chicago Examiner. He sets forth that the article intimated that he had bribed the legislators in voting for Lorimer. The court to day held that the article in question does not bear that construction.

## COMMITTS TRIPLE TRAGEDY.

Seattle, Wash., May 12.—Herbert Ingalls of Clatsop county, Oregon, shot and instantly killed Isaac Osgood, mortally wounded Mrs. Osgood and committed suicide at the Osgood home here tonight. Mrs. Osgood was formerly the wife of Ingalls.

## SMALLEST BABY DEAD.

Mattoon, Ill., May 12.—Adeline Russell who weighed only seven and one-half ounces when born two weeks ago was buried here today. At the time of her death, the baby weighed eight and one-half ounces. Adeline was a twin, her sister, who died at birth, being of normal size.

**ABERDEEN CONVENTION.**  
Aberdeen, Wash., May 12.—A state Republican convention to meet in June is announced to day by Chairman Rump, provided that the National Republican committee approves the plan to call a national convention in the fall.

## PEKIN WOMAN SUICIDES.

Peoria, Ill., May 12.—Mrs. Lizzie Tuffe, a Pekin, Ill., woman committed suicide at the home of her father today. Her body was found suspended from a rafter in the barn.

## REPUBLICANS SPLIT

Fellow Republicans Not Un-  
animously In Accord With  
Penrose's Filibuster Plan

Democrats on Finance Commit-  
tee Will Make Some Changes  
in Important Schedules

WASHINGTON, MAY 12.—Senator Penrose's plan to conduct an extensive filibuster in spite of his proposal to hold open tariff hearings before the senate finance committee will not receive the unanimous backing of his fellow Republicans when it comes up tomorrow, according to the views of leaders today.

Many prominent Republican senators do not believe it wise to fire their tariff guns in the preliminary fight over the question of hearings. They are willing to put the question to a vote and rest content with that. They argue that Republican oratory should be conserved until the bill is before the senate and then their efforts should be directed toward showing the country what the party thinks of it.

Several Republicans indicated today that they would vote against the Penrose amendment to make the committee hold public hearings. Persistent reports about the senate say, however, that several Democrats will be found voting with the majority of the Republicans for the Penrose amendment and the vote in consequence is likely to be close. When Mr. Penrose made his motion the Republicans had enough votes to carry it, but before the senate meets tomorrow, Democrats who were absent then are expected to be present, and the first skirmish of the long fight probably will find both sides of the senate fully represented.

Democrats on the finance committee were skeptical of a report that an agreement had been signed by seven western Democrats who are opposed to free wool to vote against that provision of the bill in the proposed conference. The conference is still several weeks away but Democrats who keep in close touch with every phase of the situation did not believe that any such agreement had been made or is likely to be made. They declared flatly that they expected the Democrats of the committee to present the bill to the senate with both the wool and sugar schedules as they were left in the house bill.

Some changes in important schedules will be made by the committee. The metal schedule notably will be altered and the sub-committee to which it was assigned several weeks ago met tonight with Chairman Simmons.

Chairman Simmons expects to confer with President Wilson during the present week. He will not be able to tell the president exactly what changes are likely to be made before the bill is brought up in the senate but he probably will discuss some proposed amendments.

Senator Williams, a member of the finance committee, declared today that manufacturers who reduce wages or threaten to reduce them because of tariff reductions should be prosecuted by the department of justice under the Sherman anti-trust act. The senator said the Sherman law had been used against laboring men who combined to increase wages and it was not more than just that it might be directed against men who conspire to reduce wages.

## Will Push Currency Law.

Although many prominent Democrats in the senate are opposed to currency legislation at the special session of congress, a serious effort will be made by the banking and currency committee to draft a measure which will at least pass through the stage preliminary to actual enactment. Chairman Owen and other Democratic senators on the committee are expected to take up consideration of a currency reform bill probably next week. No complete measure so far has been framed, but it was said tonight that a tentative bill would be laid before the sub-committee at an early meeting. The sub-committee was appointed to consider thirty questions to bankers and financial experts on how and why the national financial system should be changed but has had no meeting so far. It was the intention tonight that when these questions are taken up they will be considered in relation to a definite bill. Bankers whose advice is sought will be requested not only to answer the questions but to give their opinions of a concrete measure accompanying them.

Attempts to draw up a currency bill in the senate have followed the bill of Representative Glass, probable chairman of the house banking and currency committee, but until a measure has been submitted to the entire Democratic membership and to the full senate committee, its final form will not be settled.

## APPOINTED RECEIVER.

Peoria, Ill., May 12.—Thaddeus W. Roederick of Pekin, Ill., was today appointed receiver for the Pekin and Petersburg Interurban Electric line, operating in the city of Pekin. The temporary receiver, W. S. Prettyman, reported that the company had but \$700 in the bank, the net earnings since the line has been under his management.

## BLOODY FIGHTING ABOVE GUAYAMAS

BETWEEN 500 AND 700 ARE DEAD AS  
RESULT OF THREE DAYS BATTLE

Federal Killed Alone Is Believed to  
Be 500 With 200 Government  
Troops Prisoners—Both Sides Are  
Executing All Commissioned Of-  
ficers Captured.

NOGALES, ARIZ., MAY 12.—More than 500 dead are lying on the field above Guayamas resulting from three days desperate fighting last week. Col. Juan Cabral, who arrived today at Hermosillo from the front reported that he had estimated the killed to exceed 600. A train load of oil and fire wood was rushed south with which to cremate the bodies. The official report of General Alfero Obregon, the insurgent commander, asserted the federal killed alone numbered 500, with 200 Huerta soldiers taken prisoners. Both sides have been executing all commissioned officers captured, wounded or unhurt.

**Little Fighting Sunday.**  
There was little fighting Sunday or early today. Driven to the last station north of the gulf port, the remnants of the federal army of some 2500, found itself cut off from further retreat. Believing that lack of food and water soon would force a surrender, the state troops contented themselves with holding the federalists in their position, occasionally harassing the extreme lines when any attempt was made to move toward Guayamas. The 200 federalists left in Guayamas did not move from the town.

## EUROPEAN NATIONS ARE ENTITLED TO FREE ENTRY OF WOOD PULP

Customs Court So Decides Because  
Free Entry Privilege Is Granted  
to Canada.

Washington, May 12.—The customs court today decided that European nations are entitled to the free entry of wood pulp and paper under "the most favored nation clause" of their commercial treaties with the United States because the free entry privilege is granted to Canada under the only operative clause of the Canadian reciprocity agreement.

The court also held that the treasury department had placed a correct interpretation upon the Canadian reciprocity act by immediately admitting wood pulp and paper free without reciprocal action by Canada. Dissenting opinions were delivered.

Norway, Russia, Austria-Hungary and Germany claimed the right of free entry of wood pulp and paper from their respective countries. Former President Taft declined to grant the request and referred the question to the courts.

It cannot be stated whether the treasury department or the department of justice will appeal the case to the supreme court. It has been the attitude of the government to oppose all appeals from the customs court because the act creating the court says the decision of the customs court shall be final. The fact that the question involves the interpretation of treaties may cause the government to appeal.

## HARRISON AIDS IN ATTORNEY HOYNE'S CAMPAIGN AGAINST THINGS

Comprehensive System of Warfare  
Upon Pickpockets on Vagrancy  
Charges Is Agreed Upon.

Chicago, May 12.—Mayor Harrison today took a hand in State Attorney Hoyne's campaign to rid the city of thugs and pickpockets. The mayor appeared before Acting Chief of Police Schuetzler with a list of forty persons whom he charged with being well known pickpockets and who he declared had evidenced remarkable ability at getting out of jail after being arrested charged with picking pockets.

Mayor Harrison, Mr. Hoyne and the heads of the police department at conference agreed on a comprehensive system of warfare upon the pickpockets on vagrancy charges. Hereafter the men have been arrested on larceny charges and in only a few cases have there been convictions.

Judge Foel of the superior court also issued an order that hereafter the police must make a written return on every habeas corpus writ that is issued. Many of the known pickpockets arrested in the past week have obtained their immediate releases by habeas corpus.

## RATIFIES AMENDMENT.

Washington, May 12.—Notice of the final ratification by Wisconsin of the constitutional amendment for the direct election of senators was received to day at the state in the proclamation making the thirty-six states reported making a sufficient number placing the amendment in effect. Secretary Bryan will issue a proclamation probably tomorrow.

## BURNS TO OTTUMWA.

Burlington, Ia., May 12.—George Burns, the big first baseman of the Burlington Pathfinders has been sold to the Ottumwa club of the Central Association. Manager Rohm of the Burlington team resumes his position at first base.

## I. AND R. LAW BEFORE ILLINOIS HOUSE TODAY

Initiative and Referendum  
Placed Ahead of All  
Other Legislation

## FIGHT WILL BE BITTER

Gov. Dunne Urges Adoption of  
Piercy Resolution as Ad-  
ministration Measure

## IS CONFIDENT OF SUCCESS

SPRINGFIELD, ILL., MAY 12.—Initiative and referendum will occupy the attention of members of the house tomorrow to the exclusion of all other legislative items.

The Piercy resolution adopted by the senate several weeks ago will be special order in the house. Indications are that the fight will be bitter, and that it will last all day with the possibility of a night session.

Governor Dunne who is urging the adoption of the resolution as one of his administration measures was confident today of success.

"The Republicans probably will make a fight against the adoption of the resolution in its present form," he said, "but if they are voted down in the proposed amendments they will nevertheless support the original resolution as it comes up on the order of adoption."

Douglas Sutherland of Chicago, secretary of the Chicago civic federation which organization is making the most determined fight against concurrence in the resolution predicted tonight that the resolution will be beaten in the house by from 10 to 15 votes and added:

"If by any chance it should be adopted, Governor Dunne will find the reaction against him as a consequence will be the same as it was in his municipal ownership fight when he was mayor of Chicago."

**Confers With Governor.**  
William L. O'Connell of Chicago, Governor Dunne's political adviser, arrived in Springfield this afternoon and was in conference with Governor Dunne and incoming members of the assembly the remainder of the afternoon and evening. Mr. O'Connell is using his influence to aid the governor's cause.

Representative Karch of Belleville, chairman of the house judiciary committee will lead the fight in support of the resolution. He will be backed by Representatives Kane, Ryan, Rapp and Igoo, all of the Democratic side. Medill McCormick of Chicago will represent the Progressive party in the debate. Opposition to the resolution will be led by Edward J. King of Galesburg.

## Republicans to Hold Caucus.

Each of these members is expected to make the day speech before the resolution reaches the order of adoption. It also is probable that a dozen roll calls will be necessary on proposed amendments to the measure before it reaches a final vote. A caucus of Republican members has been called for 9 o'clock tomorrow morning to consider possible action on the resolution.

Most of the Republican members desire significant changes in the measure. Undoubtedly their fight will be for the adoption of these amendments. Should all the amendments be voted down, a number of Republicans will support the resolution anyway.

A careful count of noses so far as practical seems to indicate the concurrence of the house in the resolution. The margin is not sufficiently wide, however, for the friends of the proposition to enjoy the comfortable position of surety.

## GUILTY OF BURNING THREE CHURCHES

Peoria, Ill., May 12.—Christian F. Messer, today in the circuit court of Pekin, Ill., confessed to burning the Amish churches at Morton, Eldstein and Princeville, Ill., and was sentenced to the penitentiary at Joliet under the indeterminate act. Messer, who is believed to be a religious fanatic, gave as his excuse for burning the three churches that the Amish denomination did not live up to the teachings of the Bible.

### LABOR WAR NOW ON IN CAPITAL CITY.

Indications Are That Springfield Contractors Will Struggle For Open Shop.

Springfield, May 12.—The building industry of the city will be engaged in the bitterest war in its history within a short time, it was predicted today, when the Builders' Exchange, an organization of employers, will seek to annihilate the Building Trades council, an organization of labor unions, which hitherto has exercised control.

The employers are determined, so they declared today, to make Springfield an open shop city in every branch now controlled by the Building Trades council. This includes electrical workers, carpenters, sheet metal workers, plumbers, painters and cement workers.

Bricklayers, plasterers and lathers, who are not affiliated with the Building Trades council, will not be molested.

The plumbers, painters and other unions will be drawn into the strike with carpenters, electrical workers and tanners when the employers attempt to place non-union men to work. They will not be permitted to work with the non-unionists and will walk out on a sympathetic strike.

Members of the Builders' Exchange have asserted that they will not parley further with the men but will proceed at once with the employment of outsiders. They say that they will hold out all summer against the demands of the men for higher wages.

### WITH SICK PEOPLE.

Dr. Joseph R. Harker is sick in bed suffering from a severe attack of bronchitis. He will be confined to his room for a number of days no doubt and this will interfere with his plans greatly as he is exceedingly busy in the work of completing the Woman's college campaign fund, and the days before June 1st are few.

### FALLING HAIR

Many People Have a Simple Way of Stopping It.

It was Dr. Sangerbond, of Paris, who first discovered that dandruff and falling hair were caused by a microbe.

And now that Parisian Sage, the remedy that kills the dandruff germ is sold in every town in America, the clean people of this country have awakened to the fact that dandruff is unnecessary; that falling hair and itching scalp can be quickly stopped, and that people who use Parisian Sage will never grow bald.

To every reader of the Journal who wishes to eradicate disgusting dandruff, stop falling hair, and have an immaculately clean scalp, free from itching, we make this offer.

Parisian Sage is sold by druggists everywhere, for 50 cents a large bottle. It is an ideal, daintily perfumed hair dressing, free from grease and stickiness, and will cause hair to grow lustrous and luxuriant. Sold and guaranteed by Coover & Shreve.

### JACKSONVILLE WANTS ANOTHER CONVENTION

Delegates will Be Sent to Alton to Secure the United Commercial Travelers Gathering for 1914.

Jacksonville is going to make a strong bid at Alton this week on the occasion of the annual gathering of the United Commercial Travelers, to land the convention for Jacksonville in 1914. When the convention was held in Alton several years ago Jacksonville followed and it appears that this city is in line for the honors.

Delegates from the local council will be Charles Mackness and James Conover. Special car will be provided for the Jacksonville guests and it is expected that 50 will be in attendance, including representatives from the Commissioners and Chamber of Commerce. The car will be decorated with a large banner and the delegates will wear blue, white and gold triangular badges with the word "Jacksonville for the U. C. T. convention 1914." The special train will leave Jacksonville at 6 o'clock Friday morning and all will return Saturday night.

The local councilmen expect to secure the endorsement of the convention of Harry Meyers for Sentinel of the Grand Supreme Council.

### WORKMEN REPAIRING TRACKS.

Chicago & Alton Has Force of Thirty-Five North of City—Street Railway Repairing South Main Tracks—Other Railway Notes.

A force of thirty-five laborers under Foreman M. H. O'Brien with James Flynn as timekeeper, is at work on the Chicago & Alton right of way a mile north of the city, raising the track, putting in new ties and surfacing the right of way. The men will be here only a short time, as they are doing this work while waiting for the material for the new yards at Roodhouse.

Saturday the street railway company had a force of men working on the South Main street tracks between the public square and Anna street. This track has been in poor condition all last winter, the joints having worked loose, and the repair work will make riding along this line much more pleasant.

Many changes are to be made in the time card of the Wabash railroad, according to officials who took part in the conference in Decatur. Several of these meetings are to be held before any definite arrangements are made and it is thought that the new schedule will not take effect before the first of June.

The Alton and other roads using the union station, Chicago, have just purchased the Wollensack building at the corner of Canal and Washington streets, to be used as part of the site for the new station, paying \$550,000 for it. The roads now have all the frontage on the east side of Canal street from Madison to Randolph.

A circular from the general offices of the C. and A. states the entire claims department of the company has been transferred to the operating branch instead of the accounting. Probably as long as the road has been in operation, the claims department has been regarded as an adjunct to the accounting, and of late years, all claim agents have reported to E. S. Benson, comptroller, and all instructions in relation to the adjustments of claims, have been forwarded from that office. Under the new order of things all claim agents will report to the general superintendent.

Announcement has been made at the offices of the Baldwin Locomotive Works that contracts will be let within a few days for construction of three miles of tracks to be used in connection with its new locomotive plant to be built in East Chicago, Ind. The plant, it is estimated, will cost \$5,000,000 and will furnish employment to between 4,000 and 5,000 men. The company purchased 370 acres of land at East Chicago more than a year ago and since then work on preparing plans for the improvement have been in progress. At the beginning the plant will have a capacity of ten locomotives a week.

Attorneys and superintendents of all the Missouri lines general and local met in St. Louis yesterday with the chief operating officers to perfect details for referring to the people the provisions of the full crew law. As already announced, it is opposed by all the railroads as entailing unnecessary additional cost in operation without furnishing additional safety. The legal and operating departments will place men in charge of the work of circulating petitions for signature in each of the sixteen congressional districts and those matters were arranged at the meeting yesterday, the work to proceed without delay.

### FINE CROPS IN MISSOURI

F. L. Hairgrove has returned from Missouri where he has been for several days looking after his farming interests on his place twenty five miles south of Kansas City. He reports that they have had 2½ inches of rain there, which fell in 48 hours. All the crops are looking fine. Wheat stands up over 2 feet high, and more than half the corn crop is in and Mr. Hairgrove has several acres of corn that is up three inches and will soon be plowed.

### PART OF CONTENTS OF PURSE FOUND.

After the hold on Saturday night of Misses Harriett Andre and Emma Doying, in which the thieves secured the purse of Miss Andre, which contained \$6 in change, a search was made Sunday morning in that vicinity to find the other articles of the purse. The purse itself was located in the back yard of Miller Weir's home, and most of the contents was found close. The small coin purse which contained 80 cents was also found in the yard.

## JIMMIE WARD WILL GIVE GREAT EXHIBITION IN AIR

Famous Aviator Will Use Powerful Curtis Machine in Flights Here Tomorrow.

Ed. Bloom, manager for Jimmie Ward, the famous aviator arrived in Jacksonville yesterday to have things in readiness for Ward who is to come this morning. The 60-horse power, eight cylinder Curtis machine which Ward uses is already here for service at the aviation field tomorrow and Wednesday. Jimmie Ward certainly has a record worth mentioning in his aviation work. In less than four years time he has made 1700 flights and has thus far escaped an injury of any moment. Last year he filled thirty-five different engagements, making numerous flights at each one and during the year not a dollar was spent for repairs on his machine. Prior to joining Glen Curtis at Hammondport, Ward built for himself a rude aeroplane with which he made his first flight, a distance of twenty feet. It was enough, however, to convince the young man that aviation was the coming thing and so he got into the game in earnest and stayed with it. He has announced, however, that this will be his last year and that he will positively retire at the close of this season. He probably has a feeling that this is not a charmed life and that he cannot expect to go on flying forever without injury.

As mentioned above Ward flies with a sixty horse power machine. It weighs 840 pounds and has a speed of seventy miles per hour. He can outclass a motorcycle any day on a half mile track. Ward will surely give a great exhibition tomorrow and Wednesday at the park in South Jacksonville.

CHILD'S WELFARE EXHIBIT.

The committee on exhibits for the chautauqua of which Bernard Gause is chairman has arranged for a child welfare exhibit which promises to be something which will be of special interest and of great value. The child welfare movement is a practical reform measure which has within it great possibilities for betterment. It will be the same exhibit which has been seen in Chicago and Milwaukee and from day to day different members of the Morgan County Medical association will make brief addresses in connection with the exhibit.

MOTOR BANDIT AGAIN ON TRIAL.

Chicago, Ill., May 12.—For the second time within a month, Robert Webb, the confessed leader of the gang of motor bandits who terrorized Chicago last fall, today appeared in Judge Kersten's court to stand trial on a charge of first degree murder. The charge is based on the slaying of Detective Peter Hart, who was shot and killed when he entered a south side flat and attempted to arrest Webb. At the first trial of the case the jury was unable to agree on a verdict.

## RUNAWAY HORSE KILLS SELF BY PLUNGING INTO TELEPHONE POLE

Team Becomes Frightened at Electric Brougham and Smashes Wagon of Flowers.

Monday morning a team owned by M. R. Sheppard became frightened at an electric brougham at the corner of Westminster and West State streets, ran south on Westminster to Grove street, where they collided with a telephone pole, killing one of the horses and smashing the wagon.

The team was tied on Westminster at the corner of State street, while the driver was delivering some plants. Mrs. Frank Flynn drove up her electric brougham, and although the machine was stopped before it was very close to the team, the horses broke the hitch strap and ran down the street. At the corner of Grove street they collided with a telephone pole, one of the horses being killed and the wagon demolished. The horse that was killed was a young animal which Mr. Sheppard purchased from his brother a week ago. It was valued at \$150. Mr. Sheppard attaches no blame to the auto driver in the matter.

## GAVE DRESS REHEARSAL.

The Illinois College Dramatic club which is to present "Much Ado About Nothing" at the Grand Opera house tonight had a dress rehearsal at the State School for the Deaf Monday night which was a decided success. The performers had their lines well in mind and the work that has been put on the production was evidenced in every scene. Miss Eleanor Capps as "Beatrice" and Miss Marion Taylor as "Hero" appeared to great advantage. An appreciative and impressive part of the play was where six boys came in and sang the bridal chorus for the marriage of Claudio and Hero.

## HAVE SOLD CONCESSION.

Vickery & Merrigan, who have the refreshment concession at Nichols park for a term of years, have sublet the contract to Lloyd Reynolds and Francis Rantz. ## MORITUARY

Ryan.

Funeral services for Michael Ryan were held Monday morning at 9 o'clock at the Church of Our Savior in the presence of a large gathering of relatives and friends. Requiem high mass was celebrated by Very Rev. J. W. Crowe.

Interment was made in Calvary cemetery and the bearers were John Hoban, Michael Kiloran, Daniel Keating, Timothy Keating, John Shields and Thomas Flynn.

Meyers.

Mrs. Samuel Meyers died Monday morning at 1:30 o'clock at her residence on Greenwood avenue after a lingering illness.

Mrs. Meyers, whose maiden name was Hannah Elizabeth Brown, was born in Colterville, Perry County, Ill., June 23, 1846 and was married in 1876 to Samuel Meyers. She is survived by her husband and three children, Thomas B. Meyers of Murrayville, James Meyers of Woodson and Mary Meyers at home, who was her constant and devoted attendant through her long period of suffering. All of the members of the family were present when Mrs. Meyers passed away, also one sister Mrs. J. Meyers of Garey, Okla. She was preceded in death by one infant and a daughter, Dean, who passed away fourteen years ago.

At the age of 15 years Mrs. Meyers became a member of the Presbyterian church and she was a devoted Christian, a loving wife and mother. She had been a long and patient sufferer, which gave evidence of her Christian character.

Funeral services will be held from the late residence this afternoon at 2:30 o'clock. Interment will be made in Diamond Grove cemetery.

Jackson.

Funeral services for Mrs. Mary A. Jackson were held at the late residence, 816 South East street, Monday afternoon at 3 o'clock in the presence of a large assemblage of relatives and friends. The services were impressively conducted by Rev. F. A. McCarty, assisted by Rev. Hy S. Alkire, pastor of Brooklyn M. E. church. Music was furnished by Mrs. T. H. Rapp, Mrs. Albert Baldwin, T. H. Rapp and W. W. Gillham and the flowers were in charge of Mrs. Arthur Cobb and Mrs. P. V. Coover.

Interment was made in Diamond Grove cemetery and the bearers were: T. H. Rapp, Arthur Cobb, Dr. R. R. Buckthorpe, Abe Gregory, Joseph Wells and Lycurgus Goheen.

Cox.

Mrs. Emily Cox, an aunt of Mrs. W. W. Gillham of this city, passed away at her home in Waverly Monday evening at 5:45 o'clock after a four weeks illness.

Mrs. Cox, whose maiden name was Emily Davenport, was a daughter of William and Rebecca Davenport and was born in Kentucky April 27, 1830. Fifty years ago she was married to William H. Cox, who preceded her in death in December, 1911. Mrs. Cox was a sister of L. M. Davenport, who died in this city last week, and she is survived by an adopted son, Frank W. Thomas; two sisters, Mrs. Adeline Phillips and Mrs. Margaret E. Courtney of Waverly, and one brother, Max Davenport. Mrs. Cox was a member of the Baptist church and was a woman who was highly esteemed by a wide circle of friends.

Funeral services will be conducted from the residence Wednesday afternoon at 2:30 o'clock and interment will be made in Waverly cemetery.

Williams.

After an illness of several months Mrs. Martha A. Williams of Kansas City, died Monday morning at 9 o'clock at the residence of her daughter, Mrs. John K. Long, 310 West College avenue. Last November Mrs. Long went to Kansas City and was with her mother for a number of weeks, but as she did not improve in health, Mrs. Long brought her to her home in this city and she has since been under the constant care of Mrs. Long and her family.

Mrs. Williams' maiden name was Martha Ann Henderson and she was born near Arcadia May 22, 1837, a daughter of Edgar and Mary Jane Henderson. She was first married to William H. Hall at Arcadia in 1858 and they were the parents of three children: Sarah Emma, who died at the age of 11 years; Albert H., who until fifteen years ago was a merchant of this city, and who now resides in Joplin, Mo.; and Mary J., wife of J. K. Long of this city. Mr. Hall died while serving in the union army during the civil war and was buried in Arcadia cemetery.

The deceased was again married in 1864 to Milton Guthrie and they were the parents of two children, one who died in infancy, and William Guthrie, who makes his home with his sister in this city. Mr. Guthrie died twenty-six years ago. Mrs. Williams married a third time in 1896 to R. D. Williams of Kansas City, who is now 86 years of age and in feeble health. He lives with a son by a former marriage. Mrs. Williams was a member of the First Presbyterian church in Kansas City and was a consistent Christian, being possessed of kindly and loving disposition and she had a wide circle of friends.

Funeral services will be held at the late residence, 310 West College avenue, Wednesday afternoon at 2:30 in charge of Rev. W. L. Dorgan, pastor of the First Baptist church, assisted by Rev. L. H. Davis, pastor of Westminster Presbyterian church. Interment will be made in Diamond Grove cemetery.

## MISSIONARY TO CHINA GIVES STEREOPTICON LECTURE SUNDAY

Rev. Father Blaser Celebrates Mass at Church of Our Savior and Tells of Missionary Work.

Dressed in the garb of the Chinese, Rev. Father Blaser, a Franciscan missionary, gave an interesting stereopticon lecture on the missionary work in China in the auditorium of Routh college Sunday evening. The pictures shown in the lecture were nearly all taken by Father Blaser with his own camera and were doubly interesting from the fact that he was in a position to take the Chinaman at home and in his daily occupations. The lecture dealt with the beauties of China, pagan China and Christian China, and the talk was most instructing.

Father Blaser celebrated high mass at the Church of Our Savior Sunday morning and gave a sermon on the missionary work in China. Since his ordination Father Blaser has lived in the most remote parts of China and has been away from that country only once or twice. When he went to the country he became a citizen of China. Last August he was sent by his bishop to transact some business with the pope and this was the first time he had left the country for six years. On his way back to his work he stopped in Springfield, Ill., to visit his parents and while here was a guest of Very Rev. Father Crowe.

## NOTES FROM THE LABOR WORLD.

The Chicago Federation of Labor has turned down the plan of its legislative committee to form a powerful lobby at Springfield to work systematically for legislation safeguarding the interests of labor.

Following the German municipal plan of laying out model allotments for persons in moderate circumstances, the city of Cleveland will allot an entire residence section and may prepare plans for a number of dwellings.

At the next trades union congress in Great Britain, next September, a movement will be inaugurated for the establishment of a trades union bank on co-operative lines, and the projectors have no doubt that the enterprise will take definite shape.

The culinary crafts of San Francisco have inaugurated a vigorous campaign to secure the 1915 convention of the Hotel and Restaurant Employees' International Alliance and Bartenders' International League of America for San Francisco.

Governor Lister of Washington has signed the trading stamp bill and the electrical workers' protection code bill. The trading stamp bill requires any company operating in the state to pay an annual license of \$6,000 for each county in which it does business.

The labor temple at Vancouver, British Columbia, recently erected, and which, with the land on which it stands, represents an outlay of more than a quarter of a million dollars is owned by the organized labor of Vancouver, the Trades and Labor Council carrying the controlling interests.

### CIRCUIT COURT NOW HOLDING SESSIONS

JUDGE THOMPSON CONVENED MAY TERM MONDAY MORNING.

Grand Jury Organized and Will Send Committee to Inspect Poor Farm—Damage Suit Against City in Progress—Many Court Orders Entered.

The May term of the Morgan county circuit court is now in full swing as court was convened Monday morning by Judge Thompson and the work of the term commenced. The grand jury was instructed by the court and Isaiah Whitlock was appointed foreman. Afterward E. G. Saye was selected as clerk. The jury has established a new and desirable precedent by selecting a committee of six to visit the county poor farm and make a report instead of taking the entire jury out there for an inspection and a big dinner.

The grand jury. The jurors are as follows: B. D. Davenport, Alexander; Henry Conrad, Chapin; Spencer Smith, Concord; C. E. Cussins, Franklin; John Day, Frank McKenna, G. W. Patterson, R. R. ### BURGLARS ENTER C. B. & Q. DEPOT AT CONCORD.

Three Young Robbers Make Getaway With \$11 in Cash and Express Package—Leave No Trace.

No clue has yet been found as to the identity of the three young men who entered the Burlington station at Concord Sunday night and at the point of a revolver forced the agent, Robert Eldridge, to stand by while they searched his pockets and went through the money drawer. Local authorities think the men left soon on a freight train.

The robbery occurred at about 10:45. The young men, who were apparently less than 20 years of age, entered the door of the ticket office and covered Eldridge with a revolver. After forcing him to throw up his hands and compelling him to stand with his face to the wall, they rifled his pockets and went through the money drawer, finding in all \$10.65. They carried off an express package which may have contained liquor. They then fled Eldridge in a chair and left. He gradually worked himself free and gave the alarm.

### Wan, Weary and Worn Out

If You Feel Tired to a Finish and Utterly Used Up Here is Quick Relief.

S. S. S. Makes Your Blood Corpulent Unite for Mutual Protection.

Half the people you meet complain of weary muscles, stagnant brain, jangled nerves, and a wonderful desire to lay down and just quit. Most of these people have been using nervines that spasmodically flare up the nerves only to die down again, as die they must. Avoid nerve stimulants. Bear in mind that this worn out feeling is due to poor blood, to bacteria in the water you drink, to the multiplying of destructive germs in the blood faster than they can be overcome by the white corpuscles; and to what is known as auto-toxemia, that condition where the venous or impure blood accumulates faster than it can be replaced by the red arterial blood.

The medicinal value of the components of S. S. S. is relatively just as vital and essential to well-balanced health as those of the grains, meats, fats and sugars of our food.

If you feel played out go to any drug store and ask for a bottle of S. S. S. Swift's Sure Specific. Here is a remedy that gets at work in a twinkling; it just naturally rushes right into your blood, scatters germs right and left, up and down and sideways.

You feel better at once, not from a stimulant, not from the action of drugs, but from the rational effect of a natural medicine just as active and just as timely as to a man who has been lost in the mountains, is about starved and comes across a settler just cooking a savory meal of good honest beef. Do not neglect to get a bottle of S. S. S. to-day. It will make you feel better in just a few minutes. It is prepared only in the laboratory of The Swift Specific Co., 137 Swift Bldg., Atlanta, Ga. Send for their free book telling of the many strange conditions that afflict the human family by reason of impoverished blood.

### LUCK BREAKS IN FAVOR OF ATHLETICS

**SOX OUTHIT VISITORS BUT ARE UNABLE TO SCORE.**

Chicago Twirlers Hold Philadelphia to Three Hits—Pinch Hitters Fail to Respond.

Chicago May 12.—Chicago outhit Philadelphia to day but the luck of the game broke in favor of the visitors and the locals were shutout 3 to 0.

Three times Chicago got men as far as third base, but failed to deliver a hit in the pinch, even though Manager Callahan called on his pinch hitter Easterly and Borton.

### FRANKLIN DEFEATS ORDER OF EAGLES TEAM SUNDAY

Jacksonville Men Misjudge Balls in Eighth and Allow Franklin Three Runs.

Franklin easily defeated the baseball team of the local order of Eagles in a game Sunday at Franklin by a score of 5 to 2. Beerup, the first man at bat for Franklin in the first inning started the game with a home run and in the eighth Franklin scored three runs, bad judgement of the balls on the part of the Jacksonville men being responsible for the tallies. The score:

Jacksonville 0 0 0 0 0 0 2 6 1  
Franklin 1 0 0 1 0 0 5 6 2

Batteries—Day and Abel; Seymour and Beerup.

### ON THE SIDELINES.

"Big Six" was in trim which is all that needs be said of the Chicago-Giant game.

Frank Chance is now making a respectable showing. If his team can win a few more before Saturday "Chance Day" will be some day after all.

Quincy won another. This will help. The Soldiers Home field is a sort of parade ground. That's why the game resembled a contest between two prairie league teams.

The Illinois college team hooked up with Manager Cley's I. S. D. nine for short and snappy practice yesterday afternoon. It was a nice work out for both teams. The batting was heavy on both sides. Both teams showed a decided improvement in the fielding end of the game. Harmon's men should begin to win a fair share of their games from now on. Who have showed more speed than in a long time. Darrah is a star and it is a real pleasure to watch him work. The I. S. D. team is composed of young material for the most part, but is quite promising. The boys up there are great lovers of the game and play for the fun they can get out of it as there are few schools of their class in this vicinity, which makes the filling of a schedule a difficult matter. They will soon have a fine athletic field of their own and should improve

From Headache, Backache, Dizziness and Nervousness, Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Lawrence, Kans.—"A year ago I was suffering from a number of ailments. I always had pain and was irregular. During the delay I suffered a great deal with headache, backache, dizziness, nervousness and bloating. I had been married nearly three years. I took Lydia E. Pinkham's Vegetable Compound and now I feel better than I have for years. I recommend Lydia E. Pinkham's Vegetable Compound to all who suffer as I did."—Mrs. M. ZEUNER, 1045 New Jersey Street, Lawrence, Kansas.

Montana Woman's Case. Burns, Mont.—"Lydia E. Pinkham's Vegetable Compound cured me of awful backache which I had suffered with for months. I was so weak I could hardly do my work and my head and eyes ached all the time. Your Compound helped me in many ways and is a great strengthener. I always recommend it to my friends and tell them what a grand medicine it is for women. You may use my name for the good of others."—Mrs. JOHN FRANCIS, Burns, Montana.

## LANDSCAPE GARDENING DISCUSSED BY PROF. ROOT

Spoken From University of Illinois Heard at Noon-Day Luncheon.

There were fully 100 persons at the noon-day luncheon given by the Chamber of Commerce Monday on the stage of the Grand Opera House. Members of the Woman's Club, as well as the Chamber of Commerce, members had been invited and both organizations were well represented. John J. Reeve, vice-president of the Chamber of Commerce presided and grace was said by Rev. Hy S. Alkire. Later on Dr. Black was introduced as the chairman and he presented as the speaker of the day, Professor R. R. Root of University of Illinois to talk about Landscape Gardening or City Improvements. Catering for the day was by Grand Cafe.

Just before Prof. Root began his talk which he illustrated with some lantern slides Secretary Fritchey announced that the next luncheon would be held two weeks from to day and at that time Supt. J. H. Shaw of the chautauqua desired to meet the full membership of all committees. Prof. Root emphasized the growth of his department at the University by stating that when he first began there that there were but 15 pupils and one room was used whereas at the present time there are 40 pupils and 5 rooms. He said that in landscape gardening or in city improvements it is usually more feasible to begin in the outskirts and work towards the business center. He also said it was easier to accomplish improvements in the smaller cities than in the large because where real estate has a very high value it is difficult to make changes. The speaker then spoke of the advantages of beautifying a city, of the good effect it has upon the life and welfare of the citizens and upon business conditions, too. He spoke of parks and parkways connecting a city with its suburbs and dwelt to some extent upon the advantages of numerous play-grounds where well equipped and under proper supervision. He concluded his remarks about showing a number of views taken in Urbana showing some unsightly lots and dilapidated houses and telling what had been accomplished in a number of instances. He told too of several streets, or parts of streets, which had been improved under the direction of his department. He mentioned some of the obstacles sure to be encountered in making such improvements.

## JURY DECIDES BROWNS MUST PAY JACK O'CONNOR \$5,000

Trial Comes to a Close With Unexpected Suddenness, the Jurors Being Out Only Thirty Minutes.

St. Louis, Mo., May 12.—The St. Louis American league baseball club must pay Jack O'Connor \$5,000 the amount he would have received in salary had he not been discharged as manager prior to the opening of the 1911 season, a jury in the circuit court so decided tonight. The trial, which had occupied the court all day, came to a close with unexpected suddenness. The jurors were out only thirty minutes.

O'Connor was called to the stand in rebuttal as the last witness. He denied the testimony of Sidney Cook and Julius Cronheim that they had from the grandstand overheard O'Connor give orders that enabled Napoleon Lajoie of the Cleveland team to almost tie the batting average of Ty Cobb for the season of 1910.

## HENWOOD'S SECOND TRIAL BEGINS

Denver, Col., May 12.—The case of Harold F. Henwood, which attracted countrywide attention two years ago, was called in the west side criminal court today for its second trial. On the night of May 24, 1911, Henwood, who was the Denver agent for an eastern glass company, engaged in a quarrel with "Tony" von Phul, a well known aeronaut, in the bar room of the Brown Palace hotel. The quarrel is said to have been over the wife of a Denver banker. At the height of the altercation Henwood opened fire with a revolver, killing von Phul and George E. Copeland, a mining man of Victor, and seriously wounding J. W. Atkinson, of Colorado Springs. Copeland and Atkinson were innocent bystanders. Henwood was tried for killing Copeland and convicted of second degree murder. After that he secured the dismissal of the case involving the killing of von Phul because he had not been brought to trial within the time prescribed by the statutes. The supreme court granted him a new trial on the charge on which he had already been convicted and he is now to be tried for the second time for the Copeland killing.

## EXPECTS \$12,000 FOR JASPER

Manager Clarence Rowland of Dubuque expects to get an amount running into five figures for Pitcher Harry Jasper, his star twirler. Rowland says that he expects to get in the neighborhood of twelve thousand dollars for his light-haired flinger and that there is little doubt but that Comiskey will cough up with this amount to get him. Working for the Goofs against the Regulars Friday Jasper made a very favorable impression on both Manager Callahan and President Comiskey and there seems little doubt now but that the deal will go through and that Rowland will receive the largest amount ever paid for a Three-eye league ball player. Jasper is a spitball pitcher and made a big hit with Edward Walsh who saw him work Friday in the practice tilt. Besides being a great pitcher, Jasper is an all-around ball player and is a valuable man on the club. Bloomington Bulletin.

WITH THE SICK. Mrs. William Cox is reported critically ill with pneumonia at her home in Waverly. She has been ill for several weeks and it is feared she is gradually failing.

## PRINCETON OUTROWS HARVARD AND U. OF PENNSYLVANIA

It Was a Stern Chase Most of the Way For All Winners as Their Start Was Poor.

Cambridge, Mass., May 12.—Princeton showed aquatic strength and skill to day by outrowing Harvard and the University of Pennsylvania in a 17-8 mile dash down the Charles River basin.

It was a stern chase for the winners most of the way for their start was poor. Pennsylvania was overwhelmed by a wide mark.

Then the Tigers gradually drew away and had a length to the good at the finish. Pennsylvania finished three lengths behind Harvard. Time: Princeton: 10 minutes, 18 seconds. Harvard: 10 minutes, 22 seconds. Pennsylvania: 10 minutes 34 seconds.

Harvard caught the water first at the start and had a lead of ten feet over Pennsylvania at the first quarter while Princeton was half a length astern. It was a pretty race to the mile mark when Princeton went to the fore and gradually increased its lead.

A quarter mile from the finish Harvard spurred, but Princeton met the dash and even bettered its lead, although it was not quite open water between the shells as they crossed the line. The victory was the first success that has come to Princeton in a triangular contest since rowing was resumed there four years ago.

## RHEUMA DRIVES OUT RHEUMATISM

After 25 Years of Misery, this Man Walks, Works and Feels Fine Again.

Right away—the first day you start to take RHEUMA—the Uric Acid poison begins to dissolve and leave the sore joints and muscles. Its action is little less than magical. RHEUMA works so speedily you actually can feel the Rheumatism leaving the body. A bottle costs 50 cents, and if you are not satisfied Coover & Shreve will return your money. Read this:

"I wish to state to you the facts and nothing but the facts. I bless the day a friend brought me a 50 cent bottle of RHEUMA. I used one half of it and it did me more good than all the medicines I ever tried. I had been afflicted with Rheumatism all over my body for more than 25 years; I could not walk, and was a broken-down man. During that time I spent a small fortune trying to be rid of the horrible disease, but without help. However, RHEUMA reached my case, and I thank God I can again use my feet and do my work. "Before taking your medicine I was staying with a daughter on her farm, and despite of her loving efforts to tempt my appetite I could not eat. After I had taken RHEUMA two days my appetite returned. Yours for prosperity."—Prof. H. H. Kolling, 7 S. Ninth St., Richmond, Ind., Oct 10, 1912. Will effect a permanent cure in any this great remedy, as I believe it

## MARANTHINE KEEPS UP GOOD WORK.

### COUNCIL WILL PLAN FOR MEMORIAL DAY OBSERVANCE

Committee Appointed to Confer With G. A. R. Members—Mayor Davis and Commissioner Engel to Attend Good Roads Meeting.

The Monday morning session of the city council was short. Practically all of the business transacted was routine in character. A committee from the G. A. R., was present to mention the matter of Memorial day celebration and Mayor Davis appointed the whole council as a special committee to meet with a G. A. R. committee and another from the Chamber of Commerce at 1:30 this afternoon at the council chamber.

The minutes were read and approved and there were no department reports except from Commissioner Newman who merely stated that he was having the clean-up work done in several wards in accordance with the wishes of the council.

A communication was read, signed by George Mehlhausen as president and Frank Moulton as secretary for Tailor's union 212, making a protest against the Illinois Tailoring company in conducting a suit club or raffle contrary as they believed, to city and state ordinances. The union asked the council to take such action as is within its province and the matter was referred to City Attorney Thompson for investigation and report.

A communication was read from W. G. Edens, president of the Illinois Highway Improvement association suggesting that Jacksonville be represented at a good roads meeting to be held at the Leland hotel in Springfield tonight and at the committee hearing of the legislature this afternoon. By a vote of the council, Mayor Davis and Commissioner Engel were appointed to attend these meetings.

The commissioner of streets reported that T. S. Scott, desired to run poles along East Morgan street to carry electric power for the hippodrome. It was the sense of the council that the commissioner of streets take the matter up with the property owners and see if it could not be handled in a satisfactory way to all parties concerned.

C. E. McDougall, George Paul and E. C. Scott were present as a committee from Matt Starr Post, G. A. R., to speak with reference to Memorial day. Major McDougall acting as spokesman said that he had no very definite statement to make as to the wishes of the G. A. R., but that he and others of the post, as they felt the weight of years coming upon them, were certain that it would not be long until arrangements for the observance of Memorial day must be made by younger men. He said he had no doubt but the plans would be laid with just as much care in days to come as had been true in the past. He extended an invitation on behalf of

the W. R. C. and the G. A. R., to members of the council to take part in the parade and exercises of Decoration day.

Mayor Davis on motion of Commissioners Knollenberg and Newman appointed a committee to confer with reference to Memorial day arrangements and named on the committee all the members of the council. The council then adjourned.

**Health a Factor in Success.**  
The largest factor contributing to a man's success is undoubtedly health. It has been observed that a man is seldom sick when his bowels are regular—he is never well when they are constipated. For constipation you will find nothing quite so good as Chamberlain's Tablets. They not only move the bowels but improve the appetite and strengthen the digestion. They are sold by all dealers.

**COURT MARTIAL FOR CAPTAIN SMITH**  
New York, May 12.—A naval court martial to try Captain Roy C. Smith, commander of the battleship Arkansas and Lieutenant W. W. Smythe, acting navigator of that vessel, opened at the New York navy yard today. The charges against Captain Smith are that on February 14, while commanding the Arkansas he improperly hazarded his vessel and ran it on an uncharted reef in the vicinity of Ceiba Bank, off the southern coast of Cuba. The charges against Lieutenant Smythe involve the questions of whether he failed in his duty as acting navigator in that he did not fix the position of the ship by exact methods and whether he failed to inform the captain of the distance at which the ship would pass the chartered position of the shoal.

### HAVE COLOR IN YOUR CHEEKS—BE BETTER LOOKING—TRY OUR OLIVE TABLETS

If your skin is yellow—complexion pallid—tongue coated—appetite poor—a bad taste in your mouth—a lazy no-good feeling—you should take Olive Tablets. Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients. These Olive Tablets oil the bowels—yet have no oily taste. They are a vegetable compound mixed with olive oil.

If you want a clear pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must get at the cause. Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects. They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. "Every little live Tablet, has a movement all its own." Take one or two nightly and note the pleasing results.

The Olive Tablet Co., Columbus, Ohio.

### CHAMINADE MUSIC CLUB.

The last meeting for the season of the Chaminaide Music club was held Monday afternoon at the home of Mrs. Homer Potter on West Lafayette avenue. There was a full attendance of members and many invited guests who enjoyed a delightful program of music of birds, flowers and butterflies. The year just closed has been remarkably successful and profitable. The members have all been faithful and energetic in carrying out the fifteen ambitious and excellent programs carefully arranged for the season's line of study. The Chaminaide Music club was represented by delegates to the biennial festival and convention recently held in Chicago by the National Federation of Music clubs, and the members appreciate the honor of being identified with that great national organization. The program for the afternoon was brilliantly rendered as follows:

Music of Birds, Flowers and Butterflies—  
Trio, Flower Time, Dezedo—Mrs. Harry Wood, Miss Elizabeth Slaughter, Mrs. Homer Potter.  
Impromptu, Birds in the Forest, Schubert—Mrs. F. L. Hairgrove.  
(a) Her Rose—Jeanne Malcolm.  
(b) Hark! The Robin's Early Song, Frank Lynes. Mrs. Charles Elmh.  
(a) Sun Shower, Caprice—Frank T. Atherton.  
(b) Thorn Roses, Bende—Mrs. Ralph Hutchison.  
(a) Now Sleeps the Crimson Petal, Roger Quilter; (b) White Butterflies, Corbett; (c) A Field of Daisies, Aspinwall—Miss Cora Gordon Graham.  
L'Alouette, (The Lark), Glinka—Balakirew—Mrs. Robert Stice.  
(a) A Memory, Edna Rosalind Park; (b) Sunlight, Harriet Ware—Mrs. J. Bart Johnson.  
(a) The Sweet of the Year, Mary Turner Salter; (b) Last Night I Heard the Nightingale, Mary Turner Salter—Mrs. Robert Stice.  
Spring Flower, William Mason—Mrs. Edgar Martin.  
(a) Hay Fields and Butterflies, Teresa Del Reigo; (b) Singing Bird Time, Florence Aylward—Mrs. Loren Cannon.  
Pastoral Symphony, Last Movement, Beethoven—Miss Sarah Walker, Miss Geraldine Sieber.

The great calamity in Omaha was quickly overshadowed by the terribly disastrous floods in Ohio. Great suffering and sickness from colds and exposure resulted which Foley's Honey and Tar Compound helped to alleviate. L. Poole, 2217 California street, Omaha, writes: "My daughter had a severe cough and cold but Foley's Honey and Tar Compound knocked it out in no time. My wife would not keep house without it. We have used it for years, always with good results." For sale by City Drug Store, J. A. Obermeyer.

## Weak Sickly Ailing Women

What more *can* we do to convince you that you positively can find perfect health and relief from your suffering by using Lydia E. Pinkham's Vegetable Compound? All the world knows of the wonderful cures which have been made by Lydia E. Pinkham's Vegetable Compound, yet some women do not yet realize that all that is claimed for it is true.

If suffering women could be *made to believe* that this grand old medicine will do all that is claimed for it, how quickly their suffering would end!

We have published in the newspapers of the United States more genuine testimonial letters than have ever been published in the interest of any other medicine for women in the world—and every year we publish many new testimonials, all genuine and true.

### Read What These Women Say!

Bluffton, Ohio.—"I wish to thank you for the good I derived from Lydia E. Pinkham's Vegetable Compound sometime ago. I suffered each month such agony that I could scarcely endure, and after taking three bottles of Lydia E. Pinkham's Vegetable Compound I was entirely cured."

"Then I had an attack of organic inflammation and took Lydia E. Pinkham's Vegetable Compound and I am cured. I thank you for what your remedies have done for me and should anything bother me again, I shall use it again, for I have great faith in your remedies. You may use my testimonial and welcome. I tell every

one what your remedies have done for me."—Mrs. Rhoda Wingate, Box 395, Bluffton, Ohio.

Pontwater, Mich.—"A year ago I was very weak and the doctor said I had a serious displacement. I had backache and bearing down pains so bad that I could not sit in a chair or walk across the floor and I was in severe pain all the time. I felt discouraged as I had taken everything I could think of and was no better. I began taking Lydia E. Pinkham's Vegetable Compound and now I am strong and healthy."—Mrs. Alice Darling, R. F. D. No. 2, Box 77, Pontwater, Mich.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

### Jacksonville an Unusual Shopping Center Rivals the Larger Cities.

For further information regarding the refund of your railroad fare, inquire of the merchant from whom you make your purchase, or apply to the secretary of the Chamber of Commerce, Hockenhill Building, East State street (up stairs).

In Jacksonville you will find anything that you may stand in need of, be it a paper of pins or an automobile, a pair of stockings or suit of clothes, linen for the family or an evening gown, a pound of nails or a gang plow, a bicycle or a buggy, plain lumber or the finished mill work, furniture, diamonds, watches, shoes, good restaurants with better things to eat—everything, in the same variety and at the same low prices afforded by any larger city, with the utmost cordiality and courtesy prevailing everywhere. Here you can see before you buy, know what you are buying, and have the assurance of a reliable guarantee back of every sale. A study of the Journal ads day by day will save you time and worry in arranging your shopping.

Visit Jacksonville.

## THE WORLD'S LATEST FINANCIAL AND MARKET NEWS

### TRADING IN STOCK MARKET LIFELESS

BEAR DRIVE BRINGS LIFE FOR SHORT TIME.  
Business in First Hour, Usually the  
Most Active of the Day, Was Very  
Small But Active Selling Later  
Increases Total.

(By Associated Press)  
New York, May 12.—Except for a  
bear drive which enlivened trading  
for a short time in the afternoon,  
the stock market today was lifeless.  
Business in the first hour, usually  
the most active of the day, amount-  
ed to only 32,000 shares, which gave  
promise of the smallest day's trading  
of the year, but in half an hour's  
active selling later in the session the  
total was increased largely.

Although a majority of the leading  
stocks sustained only fractional  
losses, nearly a score of new low  
records for the year were establish-  
ed and issues affected by particular  
influences went down substantial  
amounts.

There was further pressure  
against the coalers, following the re-  
cent Washington reports that fur-  
ther action would be taken under the  
anti-trust law against coal carrying  
companies, Jersey Central, which  
fell 24 points to 29½, was the weak-  
est of these issues. The sugar stocks  
were heavy, selling apparently being  
influenced by reports regarding the  
probable action on the sugar sched-  
ule in the new tariff bill. A num-  
ber of the specialties fell 10 to 15  
points.

Bear traders attempted to force  
down steel on the strength of the  
unexpectedly poor showing made by  
the monthly tonnage figures but the  
stock held up well. When word  
came from Washington that the  
court had adjourned for two weeks  
without announcing a decision in  
any of the cases of special interest  
to Wall street, bear traders felt more  
secure in attacking the list.

## Foods That Bind Little Children

Start Them Off Right With a Good Laxative and Then Watch Their Diet.

Mothers are often unconsciously very careless about the diet of their children, forcing all to eat the same foods. The fact is that all foods do not agree alike with different persons. Hence, avoid what seems to constipate the child or to give it indigestion, and urge it to take more of what is quickly digested.

If the child shows a tendency to constipation it should immediately be given a mild laxative to help the bowels. By this is not meant a physic or purgative, for these should never be given to children, nor anything like salts, pills, etc. What the child requires is simply a small dose of the gentlest of medicines, such as Dr. Caldwell's Syrup Pepsin, which in the opinion of thousands of watchful mothers is the ideal remedy for any child showing a tendency to constipation. So many things can happen to a constipated child that care is necessary. Colds, piles, headaches, sleeplessness, and many other annoyances that children should not have can usually be traced to constipation.

Many of America's foremost families are never without Syrup Pepsin, because one can never tell when some member of the family may need it, and all can use it. Thousands endorse it, among them Mrs. M. E. Darling, R. F. D. No. 4, Bellevue, Pa., who writes: "I certainly think Dr. Caldwell's Syrup Pepsin saved my baby's life. Marjorie is a bottle baby and could not get her

MARJORIE DARLING.

food to digest, but I found by giving her a small dose of Syrup Pepsin when she had colic it always cured her." Dr. Caldwell's Syrup Pepsin is sold by druggists at fifty cents and one dollar a bottle, the latter size being bought by those who have already known its value, and it contains proportionately more. Results are always guaranteed or money will be refunded.

Everyone likes Syrup Pepsin as it is very pleasant to the taste. It is also mild and non-gripping and free from injurious ingredients.

If no member of your family has ever used Syrup Pepsin and you would like to make a personal trial of it before buying it in the regular way of a druggist, send your address—a postal will do—to Dr. W. B. Caldwell, 417 Washington St., Monticello, Ill., and a free sample bottle will be mailed you.

## JURIST'S PORTRAIT IS PRESENTED

JUDGE EPLER IS PAID HONOR BY MORGAN COUNTY BAR.

Portrait Will Hang On Wall of Circuit Court Room—Address Made By Thomas Worthington—Judge Thompson Paid Tribute to Predecessor in Office.

A portrait of the late Judge Cyrus Epler now hangs on a wall of the circuit court room where for more than twenty-five years he sat upon the bench and earned the reputation of a just and able judge. The picture was formally presented Monday morning at ten o'clock when the May term of the Morgan county circuit court was convened. Mr. Thomas Worthington for the committee appointed by the bar to receive the picture presented by members of Judge Epler's family made the motion that the portrait be accepted and a second was offered by Mr. J. Marshall Miller. In calling for the vote and declaring the action taken Judge Thompson paid a brief tribute to his predecessor. Mrs. Epler, Miss Epler and Judge Carl Epler were among those present.

Mr. Worthington's remarks were as follows:

At the annual meeting of the Morgan County Bar Association held last winter a committee was appointed to receive and to hang in an appropriate place in this court room a portrait of Judge Cyrus Epler. It happened that I was selected as chairman of that committee, and it is now my duty to report that the committee has performed its duty. Shortly after the death of Judge Epler at the first session of this court after his death, memorial exercises were held in this court room, at which each member of the bar participated expressing the high esteem in which he held the memory of Judge Epler; at the same time a resolution of formal nature, or tribute or appreciation of the character and service of Judge Epler, was prepared by the committee and spread upon the records of this court, where it remains as a perpetual memorial. It would therefore be improper and out of place for me to attempt any elaborate eulogy of Judge Epler at this time; it would be out of place for no other reason than, because of the inherent modesty of Judge Epler's character, for modesty was one of his most characteristic attributes; he was modest in his private life. But I may add just a few more words with reference to

his life and services.

He went in and out before us here for many years and we all know that in his private relations he was a model for the community; we also know that he performed his civic duties faithfully, which cannot be said of many who claim to be good citizens. That I consider one of the best tributes to any man who claims to fill any responsible position in any community. He was well trained as a lawyer; he had served two terms in the legislature of his state and had therefore learned the procedure by which laws are enacted; he had served as states attorney and as master in chancery of this court and practiced before the bar for a number of years, so that when he came to the bench he was in the fullness of his power with that training which was of inestimable value to him when he came to the performance of his official duties. Therefore it is not surprising that when he came to the bench he gave eminent satisfaction as a jurist. He was an able lawyer and as I have said he was an able judge. His character was above reproach. No one ever questioned the sincerity and honesty of his judgment, whether the litigant agreed with him or not.

And just here I think I may be permitted to say one word of a general character with reference to all occupants of the bench. We have very few miscarriages of justice resulting from the conduct of the judge upon the bench—exceedingly few. The powers of the judge, under our system of jurisprudence, are very limited; his instructions must be in writing; he cannot comment upon the evidence in any way, he cannot suggest to the jury how its verdict should be framed; they have that power to themselves. Hence I say that miscarriages of justice must seldom be charged against the presiding judge—very seldom.

Now without further remarks, if the court please and gentlemen of the bar, I have the pleasure to report that your committee has performed its duties to the best of its ability; we have obtained this portrait through the kindness of Judge Epler's family; it is now hanging before you in what we deem an appropriate place on the front wall of this court room on the right side of the judge's bench. I move that the portrait be accepted by the Association and that it continue to hang in its present position.

Mr. Miller: I heartily second the motion.

The motion was submitted by the Hon. Owen P. Thompson, judge presiding, to the bar, and was unanimously carried.

**Judge Thompson's Tribute.** Judge Thompson said: This is a most fitting tribute to the distinguished services—the faithful public services of the late Judge Epler. It is appropriate that this picture be given a place upon the walls of this room, where for more than a quar-

ter of a century he labored to uphold the law of the land. He did this with marked—distinguished ability. No one who knew the services and life of Judge Epler doubted for a single moment his honesty of purpose or questioned in the slightest degree the lofty integrity of the man. His principles were always of the highest; his services were in the interest of absolute justice.

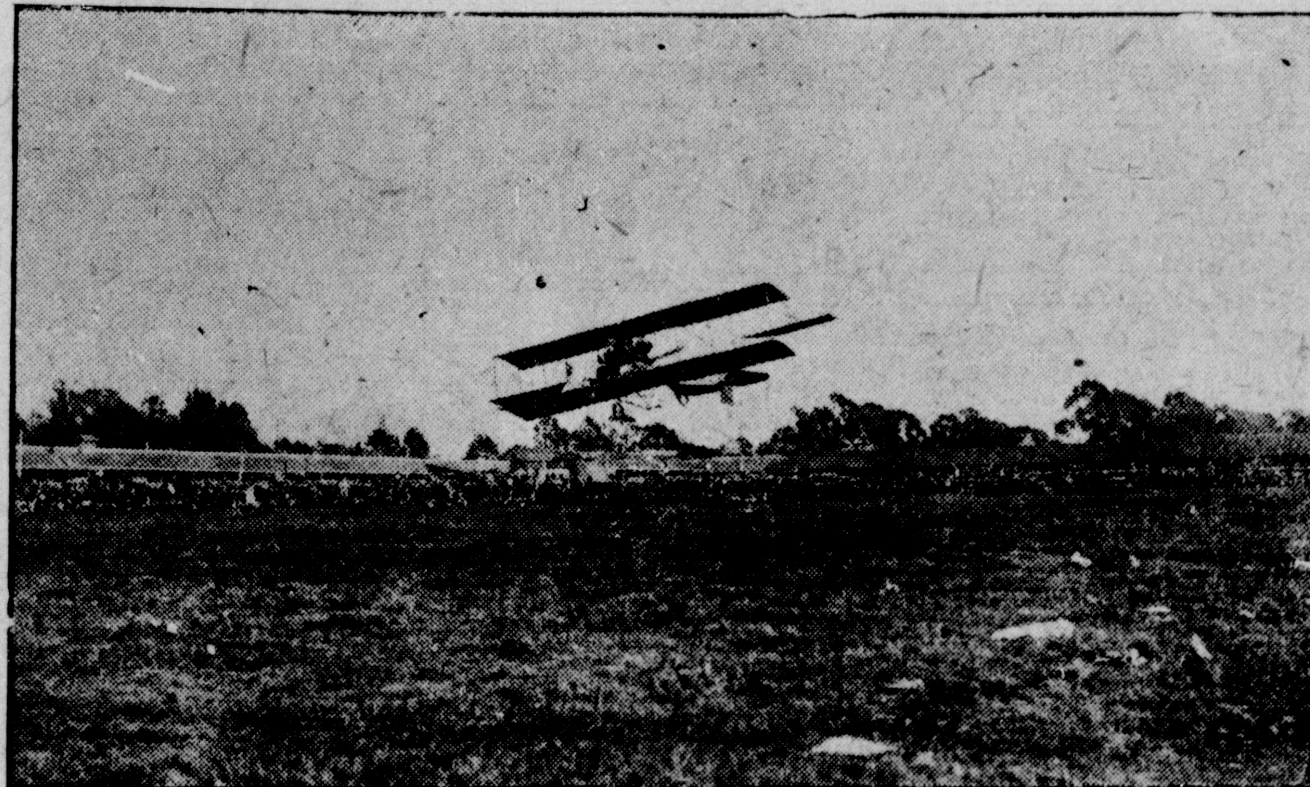

He served well. This is but a small tribute that we can give to the valuable services of an honored citizen of this county. It is the order of the court that this picture have a permanent place upon the walls of this court room.

J. A. Obermeyer and family spent Sunday in Winchester with relatives and friends.

## INDIAN RELICS.

John C. Andras of Manchester was in the city on business yesterday. He was exhibiting to some friends several Indian arrow heads and a javelin point of stone all of which had no doubt been made use of by the aborigines who were the inhabitants of what is now Illinois in the early days.

## Woman Driver Entered In Automobile Races

Jimmie Ward, World's greatest Aviator, arrived in Jacksonville

Jimmie Ward, who has thrilled immense crowds in this country and abroad with daring and spectacular flights arrived in Jacksonville yesterday at 4 p. m. Together with Ward came his manager Ed Bloom and a group of mechanics. Immediately upon their arrival the "Shooting Star" as he calls his racing aeroplane with which he won so many victories has been taken out to the Trotting Park, and the mechanics began to assemble it and get everything in readiness for the big meet, which opens at 2:30 p. m. tomorrow. Jimmie Ward is the most daring of all birdmen to day, and his dead defiance stunts such as "Looping the Loop" wall planing from a tremendous height, "with his motor shut off, sending and receiving wireless messages, sharp shooting from aeroplane, while in flight and several other features which Ward

so ably executes, will be a feature in each day's aerial program.

The racing drivers and their cars have arrived yesterday morning and were out on the track most part of the afternoon practicing and speeding around on the local speedway. The drivers express themselves that the local trotting park as one of the fastest race tracks in the state of Illinois. Jimmie Ward the intrepid aviator expressed himself that the local aviation field is an ideal ground for flying and he is highly pleased with the field.

Miss Matilda Brown who won fame at the Los Angeles Motordome as a racing driver has entered in Automobile racing events. Miss Brown is the only woman in the United States who has chosen this dangerous occupation. She is to drive the Marquette Buick Racer with which she won so much fame throughout the

western cities. She will feature mainly in a one mile speed exhibit between her and Warren Detroit driven by Dick Stebyng, who holds the one and five miles speed record in the state of Illinois.

A complete program of events will be published in this paper tomorrow, as Manager Friedman promises a carnival of speed and daring, the like yet never was seen in this vicinity, the program is to start at 2:30 sharp and will last until 5 o'clock, with something going on every minute to entertain and thrill the spectators who will attend this monstrous performance. "We have given a very creditable performance last year in this town and we will out-do ourselves this year," states Manager Friedman, and every feature that we advertise will positively take place and the crowds that will come to see our performance will not be disappointed."

## WAS SERIOUSLY INJURED

Leonard Patterson of Murrayville Meets With Accident at Stanford, Illinois.

Leonard Patterson, son of William Patterson of Murrayville suffered internal injuries at Stanford, Ill., Monday by falling from a ladder. Young Patterson is in the employ of the paint gang of the Chicago & Alton railroad. The force was painting the station at Stanford. While Patterson was up on a ladder he lost his balance and fell to the floor, striking the stove in the fall. He was brought to Murrayville where he was given further medical attention by Dr. G. O. Webster. His injuries appear to be mostly internal and of a serious character.

## MISS JOHNSTON DISCUSSES ROMAN COMEDY.

Tells of Terrence and Predecessors in Talk Before Members of Drama League at Public Library.

Miss Mary Johnston of the Woman's college, at the library Monday evening, gave a very interesting account of the early Roman comedy with especial reference to Terrence. With was the fourth of the Drama League evenings with classical writers of drama. The fifth of the series will be addressed next Monday by Dr. R. H. Tanner, who will speak on "Iphigenia Among the Taurians." This lecture will be given in direct preparation for the Iphigenia by the Coburn players to be given under the auspices of the Classical club on the Illinois college campus, May 23.

With his simple and pure style in such pleasing contrast to his predecessors' vulgar jest and coarse Roman wit, the poet Terrence was one of the most interesting dramatists of Latin literature. He wrote six comedies, among which are the Eunuch, the Self-Tormentor, the Adelphi and the Andrian.

Miss Johnston pointed out some of the more striking characteristics of the Roman comedy, how it was compelled to compete with gladiatorial combats, forcing the players to resort to the most spectacular means to secure the attention of the audience. She spoke of the ancient stage-setting representing an open street, never the interior of a house. The history of the prologue was discussed with its varying uses of introduction to the play and as a vehicle of criticism for opposing dramatists.

## LARGE LAND SALE.

Approximately 1400 acres of bottom land has just recently been purchased by the officers of the International Corporate Farm Co., whose office is located at Quincy, Ill.

The land is known as the Pegram ranch, being a part of the Hartwell drainage and levee district on the Illinois river. The land will be farmed under the direction of an agricultural expert in the employ of the company. The deal was consummated through G. T. Wiswell and Son of this city.

## RHEUMATISM QUICKLY CURED.

"My sister's husband had an attack of rheumatism in his arm," writes a well known resident of Newton, Iowa. "I gave him a bottle of Chamberlain's Liniment which he applied to his arm and on the next morning the rheumatism was gone." For chronic muscular rheumatism you will find nothing better than Chamberlain's Liniment. sold by all dealers.

## CHANGE TIME FOR PRAYER MEETING.

In order to give opportunity to as many as possible to attend, the East End Mission has changed the time of its prayer meeting services from Wednesday evening to Thursday evening at 7:30. The Sunday school time remains the same, 3 o'clock Sunday afternoon. The superintendent of the mission is Walter Hart and the assistant superintendent is John Fordyce.

## LOS ANGELES ASSOCIATION.

President Harker is just in receipt of a marked copy of the Los Angeles Times of May 4th, in which there is an extensive account of the meeting of the Woman's college association of Los Angeles. There were present representatives from all seven of the administrations. A graduate from the first class, 1852 was present. The Los Angeles association is very enthusiastic and is taking a great interest in the work of raising the endowment.

## ILLINOIS WILL PLAY WILLIAMS AND VASHTI

Baseball Game Scheduled For Tomorrow—Team at Shurtleff College Disbands.

Illinois college will meet Williams & Vashti college on the local diamond tomorrow afternoon at 3:30 o'clock. The visitors are reputed to have a number of strong men and their showing this year has been good. They defeated Lombard recently by a score of 11 to 1. Coach Harmon has felt the loss of two or three of his best men and so will be compelled to put in a crippled team, somewhat, against the fast visitors.

The line-up follows: Darragh, catcher; Wheeler or Johnson, pitcher; Atchison, first base; Furr, second base; Gary, third base; Jacard, shortstop; Apple, left field; Stewart, center field; Dixon or Pierce, right field.

Shurtleff Team Disbands. News has reached the local baseball camp that the Shurtleff baseball team had disbanded for the season. A telegram was sent the president of Shurtleff college yesterday, who confirmed the report. Illinois had a game scheduled with Shurtleff for next Saturday here. The date will be filled by Lombard, as Illinois was compelled to cancel the game with them on account of rain.

## ILLINOIS GIDEONS.

State Convention of Christian Commercial Travelers To Be Held in Freeport.

The state camp of Gideons will hold its annual convention in Freeport on May 17 and 18, and the local committee already has begun shaping up a program for the entertainment of the visitors. The Gideons, the Christian Commercial Travelers' association of America, are doing a great work throughout the country, one of their principal undertakings being the placing of Bibles in all the guest rooms of hotels in the various cities. The work has been carried on quite successfully for the past several years, and it is the intention of the Illinois state camp, when its convention is held in Freeport this month, to place copies of the scriptures in all of the Freeport hostels. Bibles already have been placed in the hotels of Rockford and other Illinois cities.

The convention to be held in Freeport this month will be attended by a large number of delegates, whose headquarters will be at the Y. M. C. A. A camp fire will be held on Saturday evening, the 17th at the First Methodist church, and on Sunday, the 18th, there will be two mass meetings one at the Embury church at 3 in the afternoon, and the other at the First Presbyterian church in the evening. Some of the Gideons' best orators will be heard.

One of the most energetic workers for the Gideons is the society's secretary and treasurer, W. A. Huyck of Chicago, who will be at the state convention. Mr. Huyck has been identified with the movement for fifteen years and is one of its charter members, so to speak. He sells soap and he talks gospel as well as he talks soap and he talks both fluently and well. He has only one arm and only one tongue, but the tongue does duty for two arms.

Secretary Huyck usually makes the appeal for funds with which to purchase Bibles for hotels and his earnest, forceful speech never fails to bring the desired effect. The Bibles cost the Gideons forty cent apiece.

## GRADUATES AT WAVERLY.

The graduating exercises of the Waverly school will be held Monday, May 19, at 2:30 p. m. at the First M. E. church. The class roll follows: Maude Vincent Spaenhower, valedictory; Anna Lucile Agnew, salutatory; Dana Arline Crowell, Carole Lucille Swift, Orville Edgar Wilkinson, William James McCready, May, Frances Rohrer, John Caruthers, Ivah Bernice Henry, Maude Esther Hart, Mary Nan Russell, Ogram McKee, Dorothy Bernice Kennedy, Wayne McCormick, Nellie Walker, Roy Winchester, Riley Gorman, Howard Luther McKee, George Hale, Lowell Hughes, Kennedy Wright, Alie Mae Jolly, Harry Hobaker, Leslie Thomas, Otis Meacham and Viola Hughes.

## MOTHERS' DAY AT LYNNVILLE.

The Christian church at Lynnville held a special service Sunday in honor of Mothers' day, at which a sermon commemorative of the occasion was preached by the pastor, the Rev. G. W. Burnett, and a number of special musical numbers given. In the scheme of floral decorations a pleasing effect was made by a large evergreen motto bearing the word "Mother," and located directly behind the pulpit. Among the special music were a solo by James Campbell and a mother's song by Misses Hildreth, Burnett and Lorena Watson. There were two quartets on the program: Mrs. Charles Gibbs, Miss Pearl Conitas, James Gordon and Harry Gordon and Madames Heaton, Jewsbury, Gibbs and Gordon. A second solo was sung by Miss Catherine Wilson. The choir sang for a closing hymn, "Where is My Wandering Boy Tonight?"

### MATRIMONIAL

Wright-Hawkes.

A report from Naperville tells of the recent marriage in that place of Miss Mary Jane Hawkes and William W. Wright, both of Jacksonville. The ceremony was said by the Rev. B. F. Shuette of St. Peter and Paul church.

Mr. Wright is at present located in Chicago, where he is employed by the Burlington Railroad company. Mrs. Wright was an employee of the Floreth company. Both are popular young people with a large number of friends in this city. They will reside in Naperville.

### SOCIAL EVENTS.

The regular meeting of the Young Ladies Aid society of the First Baptist church was held Monday night at the home of Miss Charlotte Anderson, 1411 West College avenue. Following the business session a surprised kitchen rush was given in honor of Miss Hattie Adams president of the society who is soon to be married. Twenty-five members were present and the social hour which followed the business session of the organization was most enjoyable. In the "Kitchen Quiz," each question requiring an answer some kitchen utensil. Miss Annie Long was the winner of the prize offered; she answered each question correctly. Miss Adams was the recipient of a number of useful household articles.

Mrs. S. A. Fairbank entertained girls from the senior class of Whipple academy Monday afternoon at her home on Edge Hill road. The hours from three until five o'clock were spent in a very pleasant way. The little company was especially for Miss May Hettick who has spent the school year with Mr. and Mrs. Fairbank. Others were Misses Elsie Kohns, Gladys Galloway, Hazel Huffman and Geneva V. Whitlock.

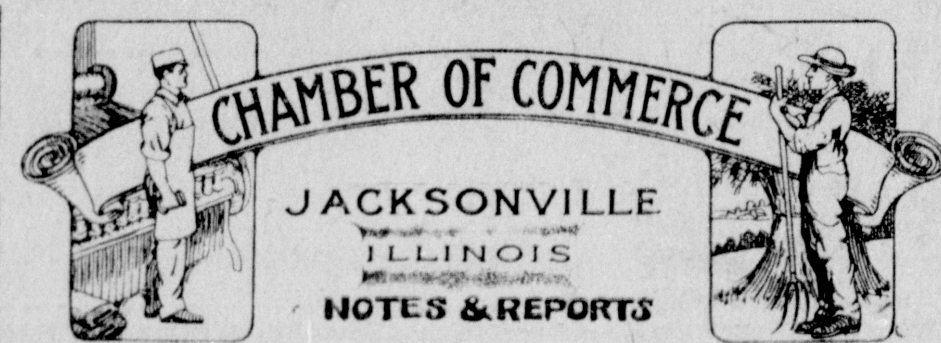

### URGES ATTENDANCE AT GOOD ROADS MEETING

The following telegram was received yesterday addressed to E. E. Crabtree and the same was read at the meeting of the city council and at the Chamber of Commerce luncheon.

"All persons in your county interested in desire for good roads should attend convention at Leland hotel Springfield, Tuesday afternoon, May 13th and hearing in house of representatives 8 o'clock same night. We urge that your county be represented, especially by land-owning citizens."

"Illinois Highway Improvement Association, W. G. Edens, president."

Willmoth, the 4 year old daughter of Mr. and Mrs. John Nolley is reported quite ill with pneumonia at the family residence on North Fayette street.

### CHANGE IN DIRECTORS MEETING

The regular monthly meeting of the directors, which was to be held tonight at 7:30 p. m., will be postponed until tomorrow evening at the same time. This action was deemed necessary because of the Illinois college play, which would not permit enough time to consider a number of the important matters to come before the directors.

The finance committee are working out a number of different plans by which the Chamber of Commerce can be financially strengthened. Dues of twelve dollars a year from each member provides a budget which is inadequate to appropriate any money for publicity work. A business men's organization is one that requires money to boost as well as mere talk.

### DECORATING FOR RED MEN.

Next week will be one gala time for Jacksonville, when hundreds of Red Men from all over the state will gather here for their annual meeting. Not only should the city show her hospitality in opening her homes to the visitors, but the business men can emphasize the city's welcome by decorating their stores and windows. Nothing leaves a more lasting impression in the minds of delegates and visitors than the appropriate decorations of the convention city. Many orders have been taken for Red Men flags and pennants and these will show that Jacksonville will belong to the members of the social order while they are here. Don't fail to make your windows and store fronts look their best by spending a little money for decorations.

### WOMEN'S CLUBS AND CHAMBER OF COMMERCE.

Civic enterprise was given one mighty boost yesterday when the members of the Women's clubs and the Chamber of Commerce met together for a noon-day luncheon. Despite the eleventh hour notice and a busy day the women workers turned out in encouraging numbers and showed the business men that they expect to have a part in the city's building. The men of Jacksonville certainly need some of the enthusiasm of the women to rid us of that eternal pest, the knocker. If the women get back of this "city's beautiful movement," as they have signified their willingness to do, the Chamber of Commerce and the city administration can afford to join with them in their endeavors.

A MEMBER'S PRIVILEGE.  
President Andrews wishes it un-

derstood that the door is always open for every member in the Chamber of Commerce to attend the directors' meetings. It is not feasible to have membership meeting except when some important question is being debated. If the members would show interest enough to attend, regular meetings would be held, but from experience it has been found that the noon-day luncheon meeting is the best substitute. If you have any proposition to submit and you do not wish to attend the directors' meeting, the secretary will perform that service for you. Please do not knock the Chamber of Commerce as an organization but go to the men whom you elected as your officers and tell them what should be done. A knock is not the cure for the city's misdoings.

### MRS. HINRICHSSEN ENTERTAINS MONDAY CONVERSATION CLUB

Meeting Monday Attended By Large Number From Jacksonville—Day Delightfully Spent.

Members of the Monday Conversation club were guests of Mrs. W. H. Hinrichsen at her home in Alexander, at an all-day meeting Monday and the day proved a most pleasant one. The Jacksonville people went to Alexander on the morning Wabash train and returned in the evening.

The guest of honor was Mrs. Smoot of Petersburg, president of the District Federation of Woman's clubs, and the morning was spent in a discussion of the Chinese revolution. The discussion was lead by Mrs. C. H. Russell, assisted by Mrs. John Ward and Miss Jeannette Powell. Mrs. Smoot gave a very interesting address and at noon an elaborate dinner was served.

The afternoon was given over to a social time and a number of games and guessing contests were held. Miss Kiddier of the Woman's college and Miss Powell, entertained the company with some readings. Before departing tea was served and all voted the day a most delightful one. Mrs. Bufile is president and Miss Powell entertained the club.

The Jacksonville people went to Alexander on the morning Wabash train and returned at 5:11 o'clock. Among those present were: Mrs. O. F. Bufile, Mrs. Jones, Mrs. Bassett, Mrs. John Ward, Mrs. P. H. Rowe, Mrs. C. H. Russell, Mrs. M. F. Dunlap, Mrs. E. M. Coe, Miss Martha Weaver, Miss Amanda Kiddier, Miss Mary Johnston and Miss Jeannette Powell, all of Jacksonville; Mrs. Rice, Mrs. Charles and Henry Strawn and Mrs. W. H. Hinrichsen and daughter, Miss Annie, of Alexander.

### PLAN LARGE ADDITION TO LOCAL PLANT OF SWIFT & CO.

Structure 70x100 Feet Will Be Erected Adjoining East Side of Present Building.

Plans have been completed and are in the hands of contractors for the construction of a large addition to the local plant of Swift & Co., designed especially for the poultry department of the business.

A building 70x100 feet will be erected adjoining the east side of the present building and will be of brick, three stories high. The equipment of the structure will include ice making and refrigerating machinery and the building will be of sufficient size to afford very extensive storage for dressed poultry.

As it is now the firm buys all of the ice it consumed here and the facilities for the storage of poultry are not adequate to the demand, as the ice does not supply the proper temperature to keep poultry for a very long period, and as a result the company is required to make frequent shipments. With the new addition and the refrigerating machinery it will be possible to keep supplies indefinitely.

The improvement will probably represent an expenditure of from \$40,000 to \$50,000 and is justified by the increasing importance of this locality as poultry market.

New shipment to arrive this morning in white and other light colors in new spring shapes to be shown in our millinery department. Floreth.

### HAVANA GRADUATION.

The graduation exercises of the Havana high school will be held May 28 and the 14 members to receive diplomas follow: Paul Samman, Paul Pfetzing, Clarence Rengstorff, Nora Amsoth, Alma Reichel, Mary Rudolph, Opal Stouten, Elsie Combs, Bessie Upp, Geneva Thomas, Helena Paulsen, Alice Borgelt, Elsie Ellenberger and Bertha Engler.

### DUNCAN RELEASED ON BOND.

Clarence Duncan, who was arrested in connection with the theft of some rubber buggy tires and was later released on bond, was surrendered by his bondsman, Charles Starks Monday and taken to the county jail. Later, however, he gave bond, with Marion Meadows as surety.

### TO ATTEND DENTAL MEETING.

Dr. J. C. Widenham, Dr. W. J. Young, Dr. G. H. Kopperl will leave this morning for Peoria to attend a four days session of the Illinois State Dental society.

### WOMAN'S CLUB NOTICE.

## "VUDOR" PORCH SHADES

Vodor Porch Shades are equally well adapted to the great mansion and the modest cottage, and will transform a sun-beaten porch into a cool, shady retreat, and you will get the full benefit of the porch to make it what it should be—a comfortable outdoor living room, cool and shady in the hottest weather, secluded and private.

**Vudor**  
PORCH SHADES  
Not only make your porch  
Cool by Day  
but cool adjoining rooms, and  
give you by night a perfect  
Sleeping Porch

In the production of Vudor Porch Shades no effort has been spared; first, to design a shade with the strips and the space between them so proportioned as to keep out the sun but to let in the breeze; to prevent outsiders from seeing in, while permitting insiders to see out, and at the same time make a shade that has stability with lightness and beauty.

Second, in selecting the best materials for their respective purposes, a fine quality of wood-fibre was chosen for the strips or slats, because it has strength, flexibility and lightness, and because it is a good non-conductor of heat.

**Vudor**  
PORCH SHADES  
Not only make your porch  
Cool by Day  
but cool adjoining rooms, and

Sleeping Porch

For binding these strips together seine twine, such as is used for fishing nets, was chosen because of its strength and wear-resisting qualities. Even the cords used for raising and lowering Vudor Porch Shades are of special manufacture, being what is known as "half-twist" cord. This cord does not curl nor loop up and stick in the pulleys as common twist cord would do. The pulleys furnished with Vudor Porch Shades are of jappanned iron and of ample size to permit of the cords running through them easily and freely.

Another good feature about Vudor Porch Shades is the peculiar fact that those sitting on the porch or veranda can see out, but the passersby cannot see in. In other words, you have complete privacy, and can use the porch or veranda the same as an inside room, with infinitely more comfort on hot days than any room can possibly afford.

We have these in stock in all widths, in the Baronial brown and forest green colors.
